Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above. Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

- Schedule B of your report discloses loan payments made to the candidate that appears to constitute personal use of campaign funds by the candidate.

If your committee discloses the aggregate balance of a candidate's personal funds loans to exceed \$250,000 after an election, you must take one of the following actions within 20 days of the election date:

- Repay all loans or the portions that aggregate over \$250,000 with the committee's cash on hand as of the day after the election; or
- Treat the portion of the candidate personal funds loans that aggregate over \$250,000 (minus any cash on hand as of the day after the election used to repay the loans), as a contribution from the candidate. This conversion to a contribution from the candidate must be reported on Schedule A, line 11(d) on the next report filed following the election.
